David Roebuck  
PCI QSA (202-493)

This certificate of compliance is subject to re-qualification at 12-month intervals and suspension or revocation for failure to comply with any applicable requirement set forth in PCI DSS v4.1. Compliance with PCI DSS v4.1 does not warrant or imply the prevention of any or all unexplained product losses. For details about the PCI DSS compliance, refer to the Attestation of Compliance (AoC) and Report of Compliance. (RoC).
